From the Paris Letter.

Paris, September 4.

ON the 31ſt of laſt Month, a remarkable
rêt was publiſhed dated the 29th, which ſets
forth, That the King looking upon the Eſta-
bliſhment of the India Company as the moſt
important Concern of his Government, had granted
them the Commerce of the Eaſt and Weſt Indies, of
Senegal, Cape Negro, and the Baſtion of France; h
given them for 9 Years the General Farm of Tobacc
and of his united Farms; had yielded to them for
ſame Time the Profits and Advantage of the Coynag
had committed to them the general Collection and
ceipt of ſuch Duties and Taxes as were formerly un
the Management of the Receivers General of the
nances; and laſtly, had intruſted to them the Ad
miſtration of his Bank, yielding to them all the P
fits, even of thoſe ariſing by the Declaration of the 4
of December 1718, which erected it into a Ro
Bank. That his Majeſty being informed, that for p
fecting ſo conſiderable an Eſtabliſhment, it was n
ceſſary to put it under one Regulation, in ſuch m
ner that all its Affairs of every Kind and Nature mi
be conducted by the ſame Spirit, and with Secre
that it might be managed by a leſs Number of Di
tors, which would ſave Charges; that thoſe Dire
might ſubdivide the Buſineſs amongſt themſelves, i
to form a Branch for each in particular to take Care
and give an Account of their reſpective Proceedi
to the Perſon whom his Majeſty ſhould be pleaſed
nominate Director-General of the ſaid Company;
that it would be very proper to eſtabliſh a ſpecial Co
cil for examining and directing the ſeveral Affa
which might conduce to the Good of the Comp
and the Advantages of its Commerce; therefore
Majeſty, being diſpoſed to give the India Company n
Marks of his Protection, and to favour an Eſtabli
ment ſo beneficial to the State, and in which a gr
Number of his Subjects have placed a conſiderable Pa
of their Eſtates, ordains, 1. That the Duke of Orle
Regent, who in that Quality has accepted the Title
Protector of the ſaid India Company, ſhall likewiſe
and remain Governour of it for Life; and that a Co
cil ſhall be eſtabliſhed for the general Manageme
whatever may concern the ſaid Company. 2. T
for avoiding Confuſion in doing Buſineſs, preventi
the divulging of Secrets, and at the ſame time leſſ
ing the Expence of the ſaid Company, the Numbe
Directors ſhall be reduced from 36 to 24, (whoſe Na
are annexed to this Arrêt) the Salary of which D
ctors ſhall be proviſionally ſettled at 20000 l
each, till a General Court of the Proprietors b
3. That each Director ſhall be obliged, within 1
from the publiſhing of this Arrêt, to have on his
Account in the Books of the Company 200 Acti
intire, which he ſhall not diſpoſe of during the Ti
of his Directorſhip. 4. That the Directors of each
veral Branch or Allotment of Buſineſs, ſhall give
Account of their Management and Adminiſtration
Mr. Law, whom his Majeſty nominates and conſtitu
Director-General of the Company, and who is to
before and report to the foreſaid Council all Affairs re
lating to the Company. 5. That no Proprietor ſha
have a Voice in the General Court of the Compa
unleſs he has 50 entire Actions appearing on the Boo
of the Company, and as many 50 Actions as any o
Proprietor has ſo many Votes ſhall he have: The fi
General Court to be held on the 20th of Decemb
next. 6. His Majeſty permits the ſaid Proprietors,
their General Courts, to change by Majority of Vot
the Directors appointed by this Arrêt, if they thi
fit. 7. No Director ſhall be moleſted in his Perſon
Eſtate for the Affairs of the Company, but be anſwe
able for his own Perſonal doings only. 8. To put
end to the Reports which ill-deſigning Perſons co
tinue to ſpread, his Majeſty declares, that the Act
niſts or Proprietors of Stock in the India Compan
ſhall not at any Time, or under any Pretext whatso
be taxed on account of the Profits which they have
made or ſhall make by the ſaid Company. It was ex-
pected that this Arrêt would have raiſed the Price of
the Actions; but on the contrary they fell very conſi-
derably, and are now at 4400; and the New Subſcrip-
tions loſe 4 per Cent. The Diminution of the Money,
